Cornerstone Comments:

1. Home Page

   ➔ Remove (Hide) video from Homepage instead add Parallex effect picture on a render with Text No

   ➔ Remove slider and the three dots

   ➔ Dropdown list → Shadow, add a line between search box and a list

2. About us:

   ➔ We will give you two new pictures and two mission and vision- to change → not now

3. The Curve Page

➔ Remove Video

➔ Minimize the size of the renders to 60% – at the top only, first one 70%

➔ Section should be automatically sliding every 3 seconds

➔ Hyperlink- "Check unit plans"- before amenities title

   with this link →   https://cornerstonedv.com/unit?plan_id=1

4. Unit Plans Page   – https://cornerstonedv.com/unit/4 from all units

➔ Remove Master Plan (Header) and shift up the 2nd section

➔ Beside Book your unit Now "Download brochure and can be changeable from the backend" yellow button "download brochure" : FBAF46

➔ Remove the blue box around the area number

5. Board member:

➔ Remove video

6. Contact us

➔ Add a textfield – Preferred unit – give the available options(as dropdown list in Home) to choose or select from

➔ Add a summary about the Curve above the "Interested in reaching out to our team?"

 With 30 years of experience in real estate, Cornerstone has developed a premium

boutique compound in the heart of the New Capital: THE CURVE.

Introducing a game changing design with double height ceilings and New-York inspired apartments.

Flexible payment plans.
Spacious yet cozy units.
Flexi-finishing services.
Amenities that cater to all needs & interests.

Contact us for more:

7. Backend Page

➔ Gross Area Obligatory, the rest should be optional and also the details + add terrace

   area optional

➔ Can we add "date" to unit reservation

➔ Change brochure

8. Mobile version-

-Dropdown space between elevated designs & Dropdown menu

-Make space between drop down and the below section

-The dropdown comes down so slow

-The menu box, dropdown the font is too small

-Logo not to be stretched

-Board member make each person on its own, not two cards next to each other

Make the pictures not to take so much time to load

-Events: make each event card one below the other, not two next to each other

-Contact us page: Around the name, email.. drop down a shadow around the white box
